

The Rutland County Netball League are affiliated to England Netball, and as such we adopt the same Privacy Policy, which can be found at the following link:

<https://englandnetball.co.uk/privacypolicy/>

In addition, the RCNL adopt the following photography and video policy.

Taking and sharing photos and videos are a great way for the league and their players to interact with one another, document successes and celebrate good news stories.

Netball has a social media community which is growing year on year. With that in mind, it is important we remember our potential audience when taking and sharing photos. Once a photo or video has been shared, even within a private group, it is out there in the public domain, and not something we can ever fully delete or recall.

Unfortunately, there are people out there who will use photos and videos for negative purposes; bullying, grooming, locating, and trolling can all start with a misjudged photo. With that in mind, we aim to and also ask that our members adhere to the following:

Use of Names

- Ideally, no full names would be attached to images of individuals. If the story/ communication would benefit from names being included, only ever use first names. As with all things, please let common sense prevail: if you have permission to attach someone's name to a photo/ someone has been pleading with you to use their photo then of course it's OK

ID

- Avoid the inclusion of detailed information that could make individuals easy to trace

Appropriate Clothing

- Only use images of people in suitable dress to reduce the risk of inappropriate use

Think Positive

- Images that are published or shared should positively reflect people's involvement, e.g. smiling and laughing, not anxious or unhappy ones

Delete if asked

- If an individual, a parent or a carer asks for any photo to be removed or deleted, it should be done without question at the earliest opportunity

Members of the league can specifically request that their image not be used in certain ways, by communicating this to the Chair at rcnlchair@gmail.com
